Dear Prof. Vidyanand Yadav,
Greetings from Internshala!

We have observed that for the past two months, many students from Government Polytechnic, Adityapur have been actively applying for internships in very specific fields. Based on this trend, I wanted to ensure that all other students are also aware of the current internship openings in these fields on our platform.

For this, please have a look at the top internship fields (and their current openings) **preferred by the students of Government Polytechnic, Adityapur.**
